ABOUT

I'm a passionate artist, web designer, and developer with two decades of professional and freelance work experience in design, visual arts and marketing.

EDUCATION

Graduate

Hidden Valley High School 1991 - 1996

I graduated in 1996 with a 3.8 GPA. My elective education focused on the visual arts, computer sciences, literature, and creative writing classes.

Graphic Design

ASU / Collins College 1996 - 1999

Graphics and layout in print media, digital graphic design for the web, typography, sound design, video production and Adobe Creative Suite.

RELEVANT EXPERIENCE

GRAPHIC & PRINT DESIGNER

(2018 - Present)

Advanced Print & Tint - Grants Pass, Oregon

Designed projects from concept to completion, making edits and fixes to customer-supplied files, as well as, any necessary prepress setup and imposition to prepare files for printing. Regularly managing multiple projects at once, while coordinating with both customers and the production team to ensure an accurate final product.

FREELANCE GRAPHIC & WEBSITE DESIGN

(2012 - Present)

Rogue Creative Studio - Grants Pass, Oregon

UI/UX, graphic, and website design. Worked directly with clients to design, build, and maintain websites using markup languages, content creation tools, management tools, and digital media. Regularly worked on brand development, copywriting, search engine optimization, print, and digital marketing collateral.

LEAD DESIGNER / US TEAM MANAGER

(2002 - 2009)

Affinity Media Group/Atlas Technology Group Inc. - Quarry Bay, Hong Kong

Created graphics and marketing collateral for a family of websites while training, scheduling and overseeing the purchasing and sales departments. Worked with developers to streamline the UI/UX for multiple websites and software applications.
